TIDWORTH CIVIC CENTRE & POLICE CPT BUILDING

WILTSHIRE

Oxford Architects worked alongside Tidworth Town Council and Wiltshire Police to develop proposals for a new Civic Centre and Police CPT Building located in the heart of Tidworth.

The aspiration was to create a new Community Hub which encapsulates a variety of different uses and activities. This mixed use building includes a large multi-use hall, café and open plan seating area, function rooms, meeting rooms, and co-working spaces for local start-up businesses.
